

A38 Lichfield to Toyota Island weekly e-bulletin w/c 16 January 2023

Welcome to this week's traffic management bulletin for the package of work that National Highways is delivering on the A38 between Lichfield and Toyota Island in Derby.

From 8pm on Monday 16 January to 6am on Saturday 21 January, there will be full nightly closures of the A38 southbound between the slip roads at the Toyota Island to carry out bridge joint repairs. The diversion will be to take the southbound exit slip to the roundabout and then take the southbound entry slip to re-join the A38 - this will be fully signed for.

From 8pm on Monday 30 January to 6am on Saturday 4 February, there will be full nightly closures of the Lichfield Road service road, which runs adjacent to the A38 northbound, next to Branston Water Park. This is to carry out surveys of the drainage systems on this service road.

We have a twitter feed you can follow here for roadworks notifications. For further information about our work, please contact: info@nationalhighways.co.uk

We're always looking to improve the way we work, and we would like to ask you to complete a short questionnaire to give us your feedback. If you could spare just 4 minutes (maximum) and complete the survey, click [here](#).
